

Automatic permission to install a water meter

Permission to install a water meter is granted, provided the following conditions are met:

- The standard of workmanship must be to the satisfaction of Ongo Homes, and only carried out by a utilities tradesperson.
- The utilities tradesperson will contact ongo homes direct for any relevant asbestos information relating to the installation.
- All work required to enable water meter installation is arranged and undertaken at the tenants expense.
- No costs in connection with the work to be incurred by Ongo Homes.
- The work must be completed within 3 months of the initial request. Failure to do so will mean you having to apply again for permission.
- Future maintenance of the water meter must be directed to the utility provider.
