Effective from 1 April 2024 Owner: Karen Cowan

When completing this self-assessment you must also read the relevant parts of the Code of Practice which help us understand what is expected and how we might deliver the outcomes of the standard.

For self-assessments being reported to Board, you do not need to provide the physical evidence —this is required for the end of year annual review.

Evidence for the end of year review will be checked by the internal Audit & Risk Team. Provision of evidence is a requirement from an internal audit.

Requirements of the Standard	None Partial Full	(description/comments)	standard is met(attach files or hyperlink to evidence that is published online/intranet)	action needed to enhance compliance	Assurance Review and comments
2.2.5 Registered providers working with tenants must regularly consider ways to improve and tailor their approach to delivering landlord services including tenant engagement. They must implement changes as appropriate to ensure services deliver the intended aims.		 Tenant Inspectors carry out estate, empty homes and communal space inspections to check on the standards and influence improvements Consultation takes place with tenants every three years on how we should involve our tenants Feedback received through TSMs and transactional surveys, complaints and compliments etc. that influence action plans Action plans for audits or via housing ombudsman determinations and spotlight reports Wide consultation with tenants on the proposed 2024 RSH consumer standards Tenants involved in completing self-assessments against the RSH consumer standards and also involved in the self-assessment of the housing ombudsman code Public meetings held at each of the Retirement Living Schemes in response to customer feedback. These were successful and so have become annual consultation events Lots of examples of you said we did, e.g. property services panel influenced changes to repair priorities during 2023, resident scrutiny panel put forward recommendations that have 		Consultation due to commence during 2024 with a workshop of engaged tenants, followed by wider consultation. Topics to centre around Tenancy Services and also Customer Engagement	comments
2.2.6 Where a registered provider is considering a change in landlord for one or more tenants, or a significant change in management arrangements, it must consult affected tenants on its proposals at a formative stage and take those views into account in reaching a decision. The consultation must: a) be fair and accessible b) provide tenants with adequate time,		been implemented or are in the process of being implemented, e.g. contractor communications. You said we did included in Key News articles, shared with involved tenants etc. Impact assessments carried out on structures of involvement When we were considering a merger during 2023 a full communications plan was produced and implemented to inform and consult with our tenants We worked closely with Community Voice so that they could understand the reasoning, and could question and challenge us. We provided monthly agenda items to update on progress, encouraging full frank discussions. We also facilitated a joint workshop with Community Voice and tenants from the potential merger organisation to consult on what their priorities	Potential merger comms plan CV minutes Minutes of workshop between CV and proposed merger tenants Letter to tenants Tenant queries and feedback record Acquisition comms plan Customer Voice board report Key News		
information and opportunities to consider and respond c) set out actual or potential advantages and disadvantages (including costs) to		 would be from a newly formed organisation Information and consultation also took place with tenants at large via letters, emails, the website, Key News etc. Tenant feedback and
